### **Parent / Carer Comments**

- My son is very happy at The Clare School, and everyone works hard to give him what he needs to progress and enjoy being at school.
- Communication from staff and advice following requests and support has been so helpful. I think there is a good dialogue between parent and teacher, through the communication book, which is important as I do not have the option to drop off and collect. We greatly value the Tapestry pictures and videos too – Thankyou. His communication intent has progressed hugely since he started, we are thrilled! Thankyou.
- A fantastic school with staff that care and don't give up trying to help the children reach their potential.
- A very cheerful and happy atmosphere in the school. Very good extended schools activities which appear to be well supported.
