SCHOOLS

A Specialist College for Sensory and Physical

9th January 2018

Dear Parents and Carers,

As we take down all the decorations and recover from the excitement of Christmas, I'm writing just to make you aware of the very exciting things we have coming up this term.

With all the coverage in the news I'm sure you are aware of the need for our pupils and their families to stay safe online, and with this in mind, we are holding a 'Safer Internet Day' on 6th February. This links into workshops for pupils in the Formal Curriculum who have had great advice on keeping themselves safe online already this term.

On the 1st March we have a whole day of activities for World Book Day, and this is a day for pupils to dress as their favourite character from Children's literature. It is a superb day here at The Clare School. Staff and pupils alike really look forward to seeing what great ideas people have come up with!

On the 12th March we have our Mothers Day service from 10am at Christ Church, Eaton Parish and our Easter Fayre on the 16th March from 10:45am. Each of these events are a fantastic opportunity to meet other members of the wider community and celebrate the hard work and planning of the pupils as they prepare for them.

We are also fully into the cold and flu season, and while we aren't able to protect against every cough and sniffle, we are aware that some pupils will need time to get over the different viruses that travel through our community at this time. As always we try to keep all the members of our school safe with good hygienic practice for hand washing and care.

I look forward to meeting with you all in the coming term, and as always if you have any queries regarding any of the above please do not hesitate to contact me or my Deputy, Rebecca Wicks, here at school.

With kind regards,

Fyfe Johnston
Headteacher
The Clare School
