

March 2018 PE Governors Report

Form LH - We have been joined by a new team member from The Community Sports Foundation. His name is Lee and he is settling in nicely.

Rhys who was teaching the class is now working for the Wherry School and after nearly five years of helping our Pupils we wish him good luck with his new career pathway.

This half term the class has participated in lots of competitive game activities that have given Pupils the chance to show Lee what they have learnt so far. Pictures below show pupils enjoying practicing skills and a game of Hockey. We even had some extra helpers from CSF on the day.

Rebound Therapy - Pupils throughout the school are now taking part in regular Rebound sessions each week. There has been a lot of hard work put into these sessions and the results have been amazing.

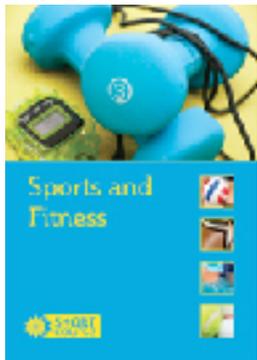

Form ME & JK/SH - I am very pleased to report that all twelve Pupils have passed their Play Maker Award and will receive a certificate in due course. This half term we have been concentrating on Dance and Gymnastics and over the past 5 weeks, Pupils have worked towards and performed in an incredible show called the Jungle Book. This was an incredible performance and was very much enjoyed by all of the parents that came to see it. Some pupils have also been swimming this half term.

Form HS - Pupils worked with our old friend Spencer from the Football Association. They were able to follow a skills programme to help give new ideas for activities, learn new games and also take part in leading. This half term we will be looking more closely at the structure of an activity session (aim, warm up, skills activity, main game and cool down). Each week in groups of three, Pupils will be given a different element of the session with a given aim. They will then plan and lead that section.

FE - Over the past term, Students have travelled to the UEA Sports Park via the No 25 bus so that they can practice their Titan Skills and take part in a variety of different sports. The Students experiences from these different activities will then be used as evidence for their Asdan Sports and Leisure courses (to be written up next half term). The activities we have taken part in include, football, table tennis, sitting volleyball, cricket, tennis, rock climbing, tag rugby, athletics and handball.

Events/ Competitions

Congratulations to Form HS who won this years **KS4 Indoor Athletics Competition**.

Forms LR, JH, SD/ZD and LH have all enjoyed participating in **Multi Skills Festivals** which were held on separate days.

This years **Winter Kwik Cricket Competition** was a very hard fought event. Well done to our team who finished in runners up position.

Our Table Cricket Team were once again on top form winning this years **County Table Cricket** Finals. They have now qualified for the Regional Finals which will be held on 9th May at Newmarket Leisure Centre.

Special Schools **Basketball Tournament** - Both of our teams played exceptionally well and are now nicely poised to play in the final day of competition in May.

CSF Grand Prix **Football Tournament** - This was a very wet and cold day indeed but our spirits were up and we continued to battle on and play well.

Form JH participated in an **Inclusive Sports Festival** at the UEA Sports Park. Activities included, Table Tennis, Polybat, Cricket, Boccia and Tennis.

Upcoming Sporting Events
