

Clare School Sports Council Meeting
Tuesday 24th April 1.30pm

1) Welcome

Hannah

Thomas

Gary Hydon (Teacher)

Ruth Thurling (Signer)

2) Sports Council Surveys

Gary read through each of the surveys that the Council members had filled in.

After some discussion Hannah and Thomas both noted that other than the go-carts and bikes, there was only one sporting lunchtime club running each week and that was Football Club.

Hannah - The year before there were lots of different sports clubs running each week.

Thomas - To help us keep fit we need more clubs running (possibly one a day). It's nice to get outside and use the new sports area.

Hannah - Maybe there could be a different sports club each lunchtime which could run for both Primary and Secondary Pupils that everybody could take part in.

3) Ideas for Sports Clubs

Rounders, Basketball, Gym, Ten Pin Bowling, Golf, Multi Sports and Cricket.

4) What to do next

Hannah and Thomas will talk to Mr Johnston and Miss Hullett about the possibility of more sports clubs being introduced.

AOB - The bikes and go-karts being out all the time is brilliant. A big thank you to Sam for helping us with this.
