

Governors Report Spring 2019

Rebound Therapy

Great progress has been made in rebound therapy throughout the school. We now have 55 pupils regularly participating from reception to FE.

Form LH - This half term we will be concentrating on our sending/receiving skills. So far we have used sitting volleyball and tennis as a tool to practice our skills.

Form ME/SH - This half term the class will be dividing into two groups each week for our first lesson and then join together for our second. During the first, pupils will take part in either postural management or a multi skills session. The second lesson will give pupils the chance to further their skill base and then use them in a different team game each week.

Form HP - This half term the form will be working towards improving their sending/receiving skills through a range of games and activities. Pupils will also have time to transfer out of their chairs for a change of position each week.

Form HS - After some excellent work with Norfolk Cricket and half a term swimming, our pupils are now ready to start their Sports Leaders Awards. Two pupils will be working towards their Level one with the others completing the Young Sports Leaders award. Each week will be divided into two sections of theory and practical work. This term we will be concentrating on team work.

Form AG/KH - Asdan Sports and Fitness Award
Pupils have worked hard on their Asdan folder work and have completed some great pieces of work with some completing a whole unit already.

This Term we will be visiting the UEA Sports Park to take part in an instructor led different sport each week. As well as giving the pupils a great experience of using a local leisure facility, it will also help them complete many sections of their sports and participation module.

Competitions/Events

Football - Unfortunately due to the adverse weather conditions I cancelled this event as it was outside all day. It turned out that this was a very wise decision.

Basketball - We had two teams participate in the first of three days of basketball competition. An excellent day of fun and team work!

Ten Pin Bowling Tournament - Form AG/KH represented the school during this event which was hosted by ourselves and was attended by over 100 pupils from ten different schools.

Multi Skills Festival - Form EM enjoyed an afternoon of multi skill fun during an event at Easton College.
